Hi All,

2008 F2D Houston contest

This contest was planned and posted as a triple elem contest, but I had to change to a double elem before the end of round one due to time restraints.

We had the final match at 4:15 Sunday. An amazing amount of replies from round 6 to the final match.

Maybe a better report at a later time. A big thank you to those that helped make this happen.

Mack Henry, Neil Rose, James Mears, Jeff Dawson, Andrea Willcox, Sheila Cranfill, Bill Maywald, Bill Duane all helped in the contest officiating.

My son Michael did a huge amount of work behind the scenes to promote and make this a big event.

...
Later,

Pat

BTW, I know that doing this contest on Mother's Day weekend probably caused some grief but thanks to all for coming and a happy Mother's day to all.
